

Editorial

Dear ISPPM members,

on behalf of the board, I wish you all a very happy and healthy new year! May 2016 be filled with laughter and joy, may many heartwarming days wait for all of us.

2016 will certainly become an important year for the ISPPM, as there will be change within our leading team in the Fall. A lot of work still lies ahead of us in order to accomplish this transition. We can only continue our successful path if members are willing to get involved on behalf of our society. I would like to invite all of you to give some thought to your possible involvement in the work of the board. The elections in the Fall are a great chance to weave new colours into the fabric of our society. Your personal colour could probably co-determine the future colour of the ISPPM.

In this sense I ask you to actively think about new members for the board, to support our work, and perhaps to get involved yourself. Thank you very much!

Yours

Dr. Sven Hildebrandt

President of the ISPPM

From the Board

Advertisement Board Elections

Dear members of ISPPM e.V.,

in 2016 will be elections of a new board. All six positions become newly elected:

- President
- Vice-President
- Vice-President
- Chairman of the extended board
- Treasurer
- Secretary

From the actual board only Wolfgang Bott and Johanna Schacht will be candidates for a third term.

We like very much to prepare the transition well and hold to the continuity of our work.

So we ask all persons interested in an application for the new board team (actually the position is yet secondary) to contact us until latest Monday, 15th of February 2016, (E-Mail secretary@isppm.de / Tel. +49(0)611-97457598).

We invite all interested persons to participate in the closed meeting of the extended board in Wiesbaden where we like to open a space for knowing about the work, the persons, and the clearing of questions.

This means, all of you who are not yet decided should come, too. Please make a note of the appointment for the weekend 19th/20th of March 2016. We'll start
