

Editorial

Dear ISPPM members,

summer is here and hopefully many of you enjoy a well earned holiday time. Members of the board and myself would like to wish you a joyful summer. I wish to remind you of our annual meeting at the end of October in Berlin. As you well know many members of the ISPPM for many years have made concerted efforts to connect with the social, political and psychosocial groups.

We chose Berlin because we hope to gain recognition from the political parties. Your enthusiastic attendance at the meeting will empower the professional and social meaning of our meeting. That is why I want to take this opportunity to invite you once again to this important, special event.

Enjoy a beautiful summer.
Warm wishes
Yours
Prof. Dr. Sven Hildebrandt
President of the ISPPM

Later this month, the membership fee for the current year will be collected. We kindly ask members who gave us no debit authorization to transfer the money to our bank account (the fee is 96,- Euro regular, 60,- Euro reduced + 25,- Euro for the yearbook subscription)

Introducing the speakers at the annual ISPPM conference

Prof. Dr. med. Karsten Held

Specialist in human genetics, Specialist for Pediatric and Adolescent Medicine, Doctor of Medical Genetics, currently operates in Endokrinologikum Hamburg.

On 22.3.2012 Mr. Prof. Dr. Held was invited as an expert in a Hearing of the German Ethics Council on issues of contemporary human genetics.

At our annual conference in Berlin, an open dialogue is planned between Prof. Dr. Karsten Held and Prof. Dr. Sven Hildebrandt regarding socio-ethical issues, especially concerning prenatal questions.
